

Five5High APP User Manual

1

Welcome to Five5High app, the best place to discover and buy a wide range of high-quality bags. Our app aims to provide an easy and enjoyable shopping experience, allowing users to browse, select, and buy bags from the convenience of their mobile devices.

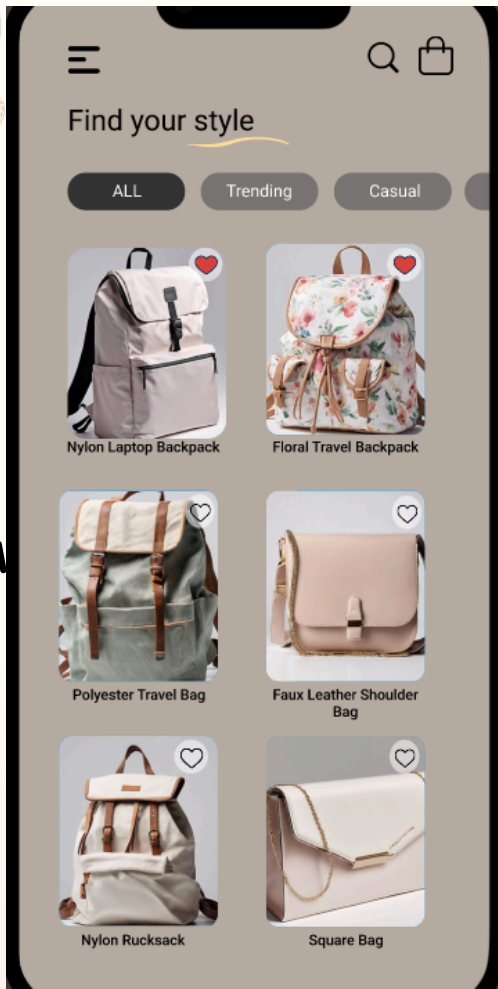

Key features include an easy-to-use interface, advanced search and filtering, detailed product descriptions, secure payment options, and order tracking.

The manual was designed specifically for women who want a convenient and reliable way to shop for bags online, meeting to their specific style preferences and necessities.

2

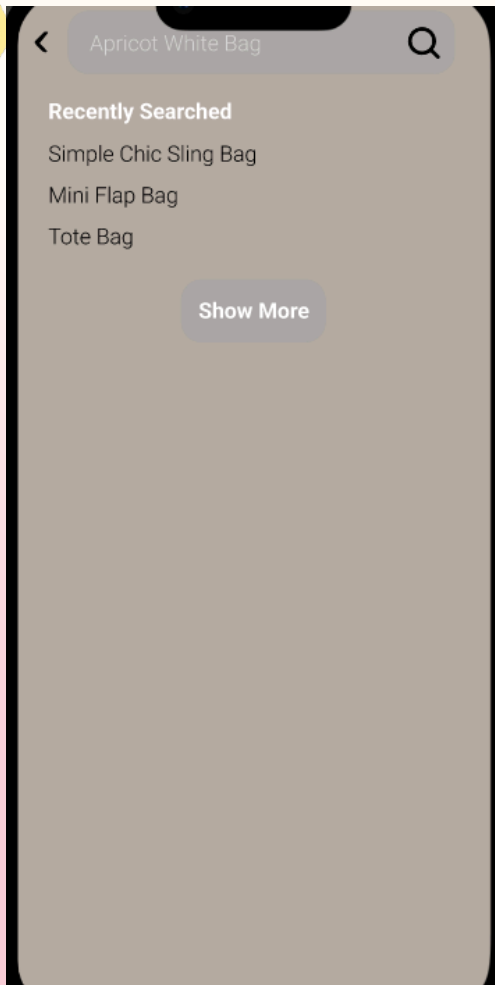

At first, we will see the main page of the app, where users need to sign in to continue with their shopping.

After signing in, our app will direct the user to the home page, where all of our products will appear for them to shop.

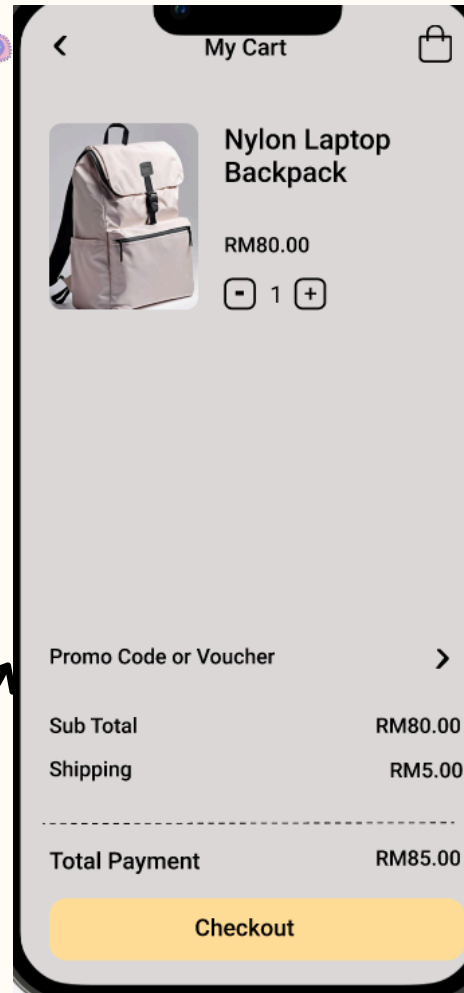

3

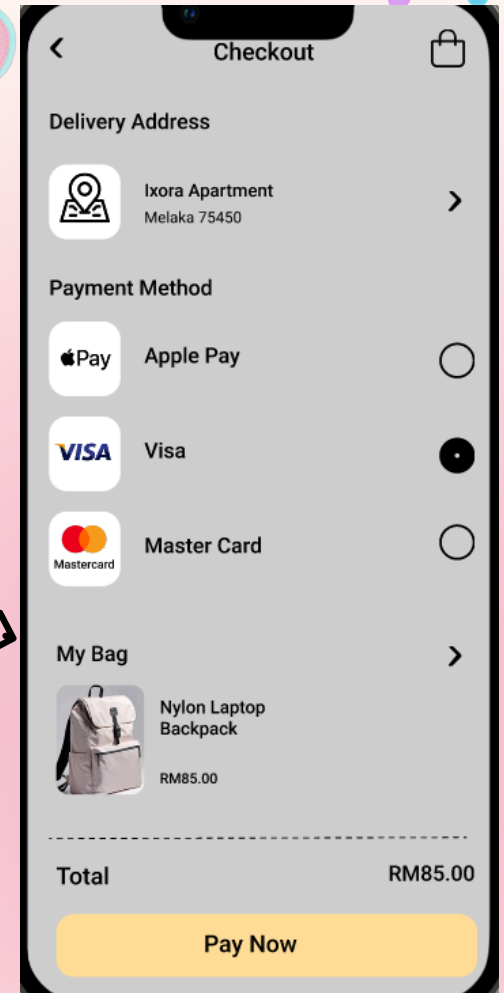

The user can use the search bar to browse for the types of bags they want to buy.

4

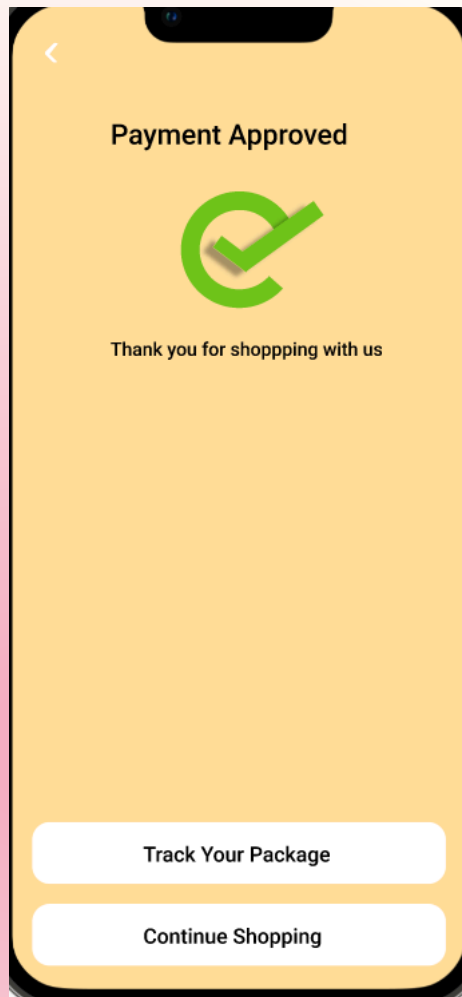

We also have a shopping cart management system where users can order the bags they want to buy, and it will display the product that has been added to the cart in the top right corner of the app. After clicking it, it will show the details of the bag that the user wishes to buy, and they can also proceed to checkout.

5

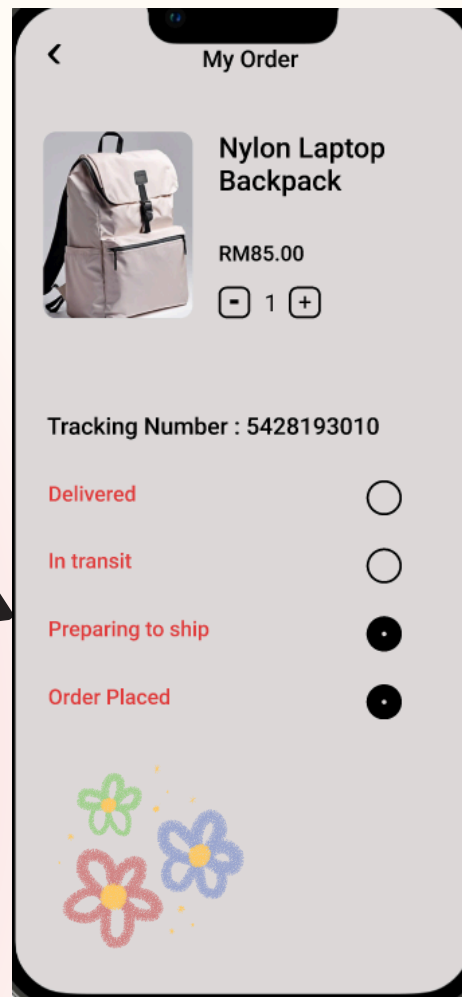

After proceeding to checkout, the user will be directed to the payment section, where they can select the type of payment they wish to use. The user can also double-check whether their address is written correctly or not. After checking everything, the user can click the "pay now" button.

6

Following that, the system will confirm that the payment has been approved. The user can either check the status of the package or continue shopping.

7

When the user clicks the tracking package button, it will show the tracking status of the order that the user has made. If the user clicks on the "Continue Shopping" button, it will redirect the user back to the app's home page, as shown in the second step of the manual.

Thank you for using our app! The color pink, which represents sweetness and is universally popular among women, strengthens our design. Our logo represents the collaboration and hard work of us five people who came together to create this brand.
