Declaration by group leader

I hereby declare that all group members' names are correctly included in the above section. I hold a copy of this assignment which I can produce if the original is lost or damaged. I certify that no part of this assignment has been copied from any other student's work or from any other source except where due acknowledgement is made in the assignment.

Group leader's signature :

Group leader's name : SOOTHI KEE JOTHI A/P RAJENDRAM

Group leader's student ID 1231302716

Date : 1/6/2024

Group member declaration

*(Each group member, including the **group leader**, must individually fill up and submit this form)*

Group member's name   : SOOTHI KEE JOTHI A/P RAJENDRAM

For the purpose of completing this assignment, I have performed the following tasks (please list):
- Have assigned the task for group members
- Have completed the mobile app user manual.
- Have completed the video presentation
- Have completed the Git & Github part

I hereby declare that I have assessed this submission and I take full responsibility should there be any inaccuracies, incompleteness, omissions, delays or non-submission.

Group member's signature   :

Group member's name   : SOOTHI KEE JOTHI A/P RAJENDRAM

Group member's ID   1231302716

Group member's tel. no.   : 016-6812027

Group member's email   : 1231302716@student.mmu.edu.my

Date   :   1/6/2024

2

Group member declaration

*(Each group member, including the **group leader**, must individually fill up and submit this form)*

Group member's name   : GUNA SUREYAH A/L GUNA CHANDRAN

For the purpose of completing this assignment, I have performed the following tasks (please list):
- Have completed the figma app prototype
- Had discussion with members about the project idea.
- Have participated in the video presentation.

I hereby declare that I have assessed this submission and I take full responsibility should there be any inaccuracies, incompleteness, omissions, delays or non-submission.

Group member's signature   : *G.GunaSureyah*

Group member's name   : GUNA SUREYAH A/L GUNA CHANDRAN

Group member's ID   1231301245

Group member's tel. no.   : 016-3987128

Group member's email   : 1231301245@student.mmu.edu.my

Date   : 1/6/2024

Group member declaration

*(Each group member, including the **group leader**, must individually fill up and submit this form)*

Group member's name   : CHONG KAI YUN

For the purpose of completing this assignment, I have performed the following tasks (please list):
- Have completed the website site map.
- Had discussion with group members about the project
- Had completed building the website.
- Have participated in the video presentation.

I hereby declare that I have assessed this submission and I take full responsibility should there be any inaccuracies, incompleteness, omissions, delays or non-submission.

Group member's signature   :

Group member's name   : CHONG KAI YUN

Group member's ID   1231302640

Group member's tel. no.   : 011-1059851

Group member's email   : 1231302640@student.mmu.edu.my

Date   : 1/6/2024

Group member declaration

*(Each group member, including the **group leader**, must individually fill up and submit this form)*

Group member's name   : KIMBERLIE R.SEQUERAH

For the purpose of completing this assignment, I have performed the following tasks (please list):
- Had completed the part in making the figma app prototype
- Have participated in the video presentation
- Give some ideas about the idea of the assignment

I hereby declare that I have assessed this submission and I take full responsibility should there be any inaccuracies, incompleteness, omissions, delays or non-submission.

Group member's signature   :

Group member's name   : KIMBERLIE R.SEQUERAH

Group member's ID   1221101811

Group member's tel. no.   : 011-51310031

Group member's email   : 1221101811@student.mmu.edu.my

Date   : 1/6/2024

Group member declaration

*(Each group member, including the **group leader**, must individually fill up and submit this form)*

Group member's name   : <u>CHIN JET NING</u>

For the purpose of completing this assignment, I have performed the following tasks (please list):
- Have completed building the website.
- Have participated in building the website.
- Have given some ideas while doing the project.

Mobile App User Manual

Five5High App User Manual Page 1

Five5High APP User Manual

Behind Every Successful Women Is A Fabulous Bag

Welcome to Five5High app, the best place to discover and buy a wide range of high-quality bags. Our app aims to provide an easy and enjoyable shopping experience, allowing users to browse, select, and buy bags from the convenience of their mobile devices.

Key features include an easy-to-use interface, advanced search and filtering, detailed product descriptions, secure payment options, and order tracking.

The manual was designed specifically for women who want a convenient and reliable way to shop for bags online, meeting to their specific style preferences and necessities.

1

Find Every Successful Women Is Fabulous Bag
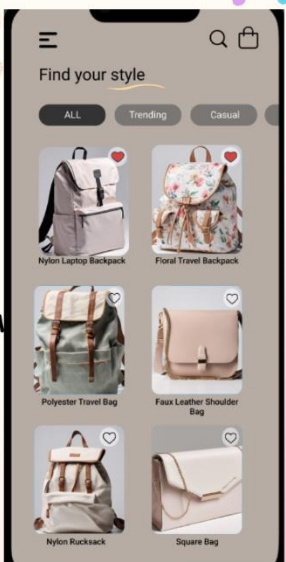

SIGN IN

At first, we will see the main page of the app, where users need to sign in to continue with their shopping.
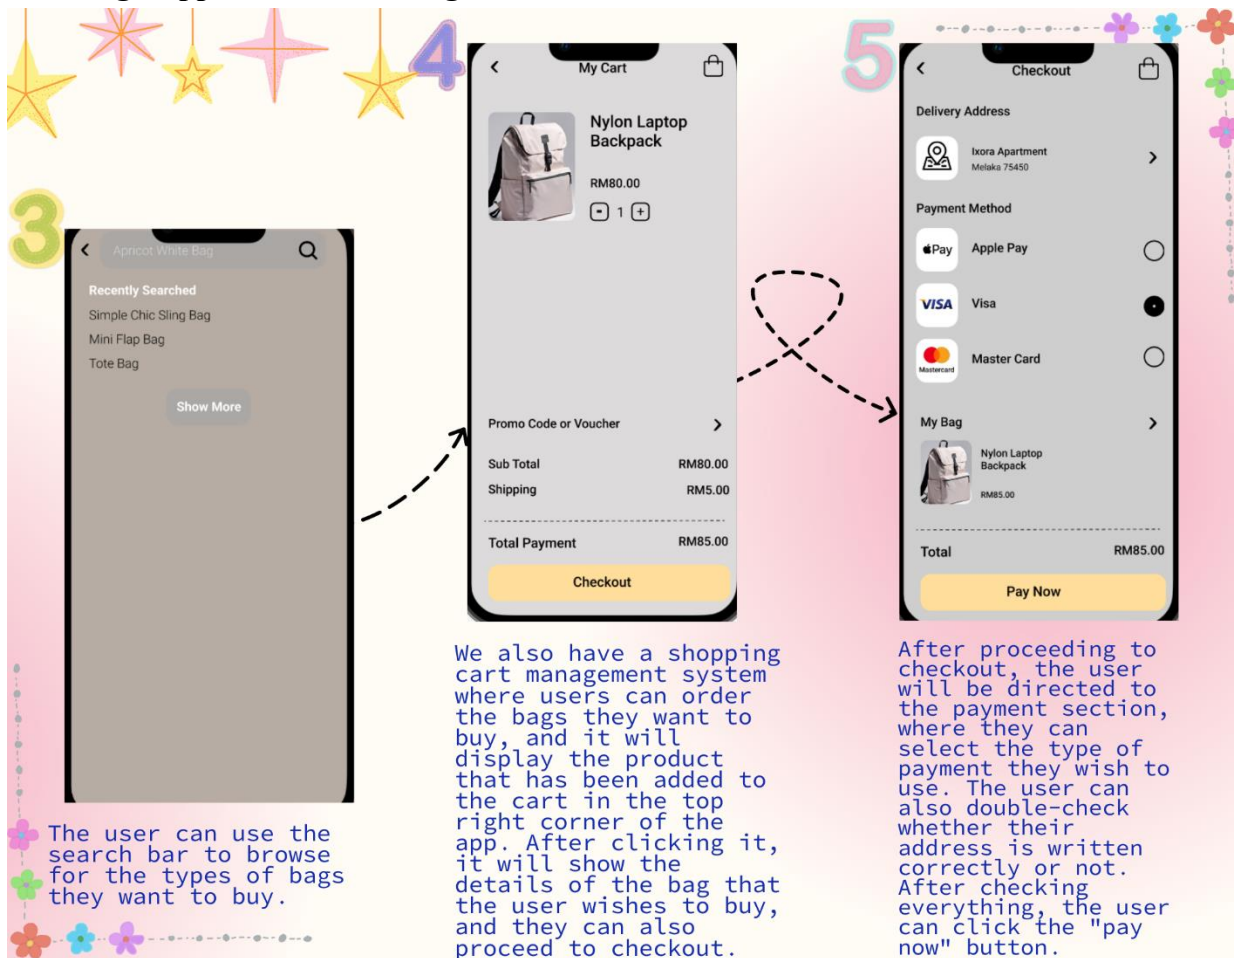

2

Find your style

ALL | Trending | Casual

Nylon Laptop Backpack | Floral Travel Backpack
Polyester Travel Bag | Faux Leather Shoulder Bag
Nylon Rucksack | Square Bag

After signing in, our app will direct the user to the home page, where all of our products will appear for them to shop.
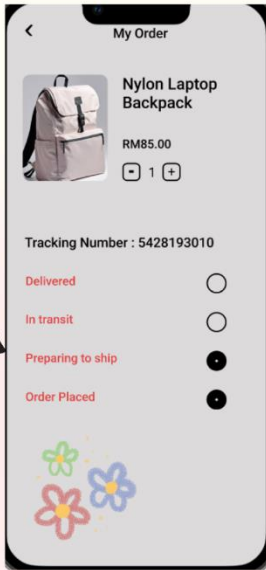

Five5High App User Manual Page 2

The user can use the search bar to browse for the types of bags they want to buy.

We also have a shopping cart management system where users can order the bags they want to buy, and it will display the product that has been added to the cart in the top right corner of the app. After clicking it, it will show the details of the bag that the user wishes to buy, and they can also proceed to checkout.

After proceeding to checkout, the user will be directed to the payment section, where they can select the type of payment they wish to use. The user can also double-check whether their address is written correctly or not. After checking everything, the user can click the "pay now" button.

Five5High App User Manual page 3

6

Payment Approved

Thank you for shoppping with us

Track Your Package

Continue Shopping

Following that, the system will confirm that the payment has been approved. The user can either check the status of the package or continue shopping.

7

My Order

Nylon Laptop Backpack

RM85.00

⊟ 1 ⊞

Tracking Number : 5428193010

Delivered ○

In transit ○

Preparing to ship ●

Order Placed ●

When the user clicks the tracking package button, it will show the tracking status of the order that the user has made. If the user clicks on the "Continue Shopping" button, it will redirect the user back to the app's home page, as shown in the second step of the manual.

Behind Every Successful Women Is A Fabulous Bag

F5H

Thank you for using our app! The color pink, which represents sweetness and is universally popular among women, strengthens our design. Our logo represents the collaboration and hard work of us five people who came together to create this brand.

Git Log

First, create a directory, Next, change the directory and initialize it.

```
Soothi@LAPTOP-14RIPSP3 MINGW64 ~
$ mkdir LDCW_Project

Soothi@LAPTOP-14RIPSP3 MINGW64 ~
$ cd LDCW_Project

Soothi@LAPTOP-14RIPSP3 MINGW64 ~/LDCW_Project
$ git init
Initialized empty Git repository in C:/Users/Soothi/LDCW_Project/.git/
```

After that, we need to add the file that is inside the directory we created.

```
Soothi@LAPTOP-14RIPSP3 MINGW64 ~/LDCW_Project (master)
$ git add "Five5High App User Manual.pdf"

Soothi@LAPTOP-14RIPSP3 MINGW64 ~/LDCW_Project (master)
$ git add "LDCW6123 Project_Soothi Kee Jothi A_P Rajendram (1231302716).docx"
```

After adding it, we need to commit it with a descriptive message.

```
Soothi@LAPTOP-14RIPSP3 MINGW64 ~/LDCW_Project (master)
$ git commit -m "Initial commit"
[master (root-commit) 69b12ac] Initial commit
 2 files changed, 0 insertions(+), 0 deletions(-)
 create mode 100644 Five5High App User Manual.pdf
 create mode 100644 LDCW6123 Project_Soothi Kee Jothi A_P Rajendram (1231
302716).docx
```

We need to make sure we have a GitHub account. If we have an account, we can simply link it to GitHub by entering our username. Another step is to link it to our email address.

```
Soothi@LAPTOP-14RIPSP3 MINGW64 ~/LDCW_Project (master)
$ git config --global user.name SoothiKee

Soothi@LAPTOP-14RIPSP3 MINGW64 ~/LDCW_Project (master)
$ git config --global user.email soothisoothi@gmail.com
```

After linking it, we'll return to GitHub and create a new repository. After creating it, we'll need to copy the link below.

Then we go back to git bash and paste the URL link that we copied.

Next, we push to the master branch. After pushing it, we will see the files in the GitHub repository that we created.

Now, we will create a new branch and switch to the new branch. After we've made our changes, stage them with git add and commit them with a descriptive message. Then we will push the branch to GitHub.

After that, we need to visit our GitHub repository page. It will show a banner suggesting to "Compare & pull request" for our new branch. So, we need to click on it to verify it.

After verifying it, we will only need to create the pull request. We can also change the title.
